Jesus The Lord Our Saviour

BLESSINGS OF GOD BE YOURS...

“ For I am poor and needy, and my heart is pierced within me.... Help me, O LORD my God! Save me according to your steadfast love.” (Psalm 109:22,26)

My god! I think of You in this early morning hours. I fall at Your feet in humble praise.

My God! I had spent the whole night weeping. There is absolutely no comfort for my eyes!

My God! The words of those who scorned me and the scornful gaze of those who ostracize me are ever before my mind!

Blameful words and the hatred of those whom I call mine own , cause me to put my head down in shame!

LORD! I am deeply troubled! There is one ever to come to my aid! I stand as a poor person , without anything, in the eyes of this world O LORD!

I am dried up like hay that gets carried away by the whiff of wind. LORD I suffer like a grasshopper that hops about without a place to keep its feet!

My God! I lay down at Your Feet like a wounded insect. I am unable even to stand ! My legs shiver o LORD!

LORD is there anything that is unknown to You? Are You not the creator of all the worms and insects ?

LORD cast Your glance on me who have fallen at Your Feet! LORD help me to rise and walk!

O God empower and fill me with Your Holy Spirit ! Heal my wounds O LORD! LORD help me to bear up with those who spurn insults at me and those who hate me. That I may walk upright in Your Love, help me O God!

All this can be made possible for me only by your power O LORD! LORD! Bless me !

All will recognise that You are on the right side of the poor!

LORD ! Place me as Your witness! Bless me !o God! Keep me within Your loving glance!

Thank You my God! AMEN ! ALLELUIA!

BELOVED IN CHRIST...

Beloved In Christ! The basic teaching of Jesus Christ is Prayer and Forgiveness!

When Jesus lived on this earth, he prayed by Himself for a very long time. He sought after the night hours to pray. Before He could start His public life, He fasted and prayed. The basic rule for His prayer: Knowing the will of the Heavenly Father, to live in a manner most pleasing to His heart and to thus fulfil the plan of God the Father! For this alone did He prayed and He lived! He taught us the same. He taught us to pray that the will of the Heavenly father should be fulfilled on the earth. In order for the will of the Heavenly Father to be fulfilled on this earth, the action plans of Jesus were all centred around the theme of Forgiveness.

Jesus forgave a man who was paralysed and asked him to walk. He also placed His crucifiers in the gaze of the Heavenly father and said, “Father forgive them, for they know not what they do”(Luke 23:34), and prayed for them. Even today He sits at the right hand of God the Father Almighty and intercedes for us.

Prayer and Forgiveness are very essential for us in our private life, in our family, and in our society. Prayer and the attitude of forgiveness, will enhance the qualities of unity and love! To the extent that we pray, we hold each other in forgiveness, to that extent will we remain happy! We will see growth in all aspects!

When we speak of great politics in our family or in the society, but bereft of prayer and forgiveness, it will surely spoil our inner peace and leave us sour! Pray! Forgive! I wish you Joy!
