Blessings of God be yours...

Jesus The Lord
Our Saviour

"My eyes grow dim through sorrow. Every day I call on you, O LORD; I spread out my hands to you." (Psalm 88:9)

O Thou who are filled with great mercy and unfathomable love! Father God! I think of You and fall Prostrate at Your feet.

This early morning, I fall at Your feet crying out in anguish.

I am blind folded by the sorrows and the fear that I have. It empties my thoughts.

Father God! I fall prostrate at Your feet with arms outstretched in the form of a cross and implore.

LORD I lay down at your feet, with my forehead and chin touching the ground, considering myself mere dust.

I am unable to think. I am unable to utter anything with my lips. My ears get shut.

O God My Father! Solely with Your touch can my hands and legs function. Grant sight to my eyes dear LORD.

Change my ears like unto Your ears, My lips unto Your lips, and may my hands and my legs be changed unto Your hands and Your legs O LORD.

May my thoughts and imaginations be those of Yours LORD.

May my entire body be transformed into You. May my body, my nerves, my veins and my breath, every beat of my blood become Yours and Yours alone.

May they be transformed into the rays of Your Divine Mercy. O God! I cry out to You. I Trust in You alone.

Pay heed to my prayer. Listen to my prayer. Thank you My LORD ! Thank You! I Thank You! AMEN !

Our Saviour**

“LOVE WILL WIN” AND THIS IS THE MESSAGE GIVEN BY OUR Blessed Mother at Medjugorje. (You may read this in the portion allotted for the message of Our Lady at Medjugorje- from the Yesuve Aandavar magazine’.)

We are aware of the atrocities that occur with miscreants going on a rampage through out the world. The terrorists’ attack on the school children at Pakistan, the attack on a newspaper ‘Charlie Hebdo’ by the terrorists and killings of several lives, and the terror signals sent to India and news such as these flood the newspapers everyday. Besides these, the heart-rending incidents that occur in our Institutions and in our families , cause a deep wound in many of our hearts. There are several others that we need to ponder over in our private lives as well! The hardness of heart, jealousy, judging some one by merely seeing the surface, speaking harsh wounding words and hurting their heart, all these would be detrimental to the growth of our spiritual life.

This is the message that Our LORD Jesus gives to us who are human beings:

“ I give you a new commandment that you love one another. Just as I have loved you, you also should love one another. By this every one will know that you are my disciples, if you have love for one another.” (John 13: 34-35)

It is the very same that The Mother of God reveals to the world. When we meditate on the mercy and passion we shall see whether we are witnesses to the mercy and love of God , as individuals.

“Love will win in everything.” I wish you joy.
