Jesus The Lord Our Saviour

BLESSINGS OF GOD BE YOURS...

" Rescue me from sinking in the mire; let me be delivered from my enemies and from the deep waters." (Isaiah 69:14)

Yaweh! My LORD! I praise You. Yaweh ! My God! I exalt You!

Yaweh, You who are all Powerful! I fall prostrate at your Feet in humble adoration. Yaweh! You are all Merciful! O God! May this Your humble servant receive mercy in Your Sight! Save me O God. O ! I am drowning in the floods!

O God! Lift me up and save me. O God! Will my entire family fall down in the slush? Will I fall and suffocate in the deep pit?

LORD! Save me. Yaweh! You know the many troubles I am surrounded by, the several tight corners, the tortures, talks of great insult. I have no future in the maternal home! There is absolutely no security where I am wedded !

LORD preserve me from those who hate me. O GOD! Cast Your loving glance on my family. O GOD! Preserve my husband, my wife, my children, my parents, my relatives and my friends.

LORD! May the mighty torrential floods never wipe me away. May the deep saes never swallow me up.

You who pay heed to the cries and petitions of the poor! For how many longer years will I keep longing for You.

LORD! For how many more days will I tear my heart in crying like this! Lord please give me an answer.

O Father God! Considering Your Great mercy, turn Your gaze upon me. Preserve me O God!

In your Presence and in your gaze, should my family live O God! Save me!

Thank You! My God! Thank You for paying heed to my voice! AMEN ! ALLELUIA!

BELOVED IN CHRIST...

" How much more will your Father in heaven give good things to those who ask him!" (Matthew 7:11)

Beloved in Christ! Whenever The Virgin Mother Mary gives Her messages during the apparitions, She requests us that we should pray. The characteristics that are necessary for us to pray to God:

1. Trust in God.
2. The heart-felt love that we show towards God.
3. The humility that comes with realising the greatness of God and that we are His mere creations.
4. The trust in God's Immeasurable Mercy.
5. The confidence of heart that when we ask God for our wants, He will surely pay heed to us in His mercy.

These five characteristics sum up A Prayer Life! Even while Our LORD was preaching on this earth, he taught His disciples, "Ask, and you will receive."

We should practise praying that our life should be one fulfilling our heart and that it should be pleasing to God. Prayer is a life style. The more we experience the Presence of God in our lives, the more will we be able to taste the Mercy of God. The more we realise the fact that we are mere creatures, the more will we realise our humble state. This in itself will prove to be an impetus for our prayer life. This prayer will lead us closer to Our God. Our prayer life filled with humility, will cause the Mercy of God to overflow on this earth.

Pray! I wish you joy!
